## IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re U.S. Patent No.: 7,237,366 Inventors: Donahey et al.		) ) Evernings Vin Winnig S
Serial No.: 10/601,372 Issued: July 3, 2007 For: Post-Tensioned Insulated Wall Panels	) ) )	Examiner: Yip, Winnie S
Attention: Certificate of Corrections Branch Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450		

Request for Issuance of Corrected Patent to 37 C.F.R. §1.322(b)

Dear Sir or Madam:

Applicants respectfully request Corrected Patent be be issued for the above-referenced patent, pursuant to 37 C.F.R. 1.322(b). A Certificate of Correction was previously issued because two of the inventors' names were misspelled. The inventors' names are Rex C. Donahey, Kim E. Seeber, and Robert T. Long.

The error in the inventors' names is a Patent and Trademark Office error in that the inventors' names were spelled correctly on the Declaration submitted on October 29, 2003.

Applicants believe that the Certificate of Correction is inappropriate in this situation. These inventors have multiple patents issued in their names, and fear that persons searching the Patent Office Records (either by hand or electronically) will be unable to locate this patent, due to the misspelling of the inventors' names. The Certificate of Correction will not be searched when a person conducts a search by Inventor Name. 37 C.F.R. 1.322(b) and 35 U.S.C. 254 allow for the issuance of a corrected patent when the Certificate of Correction is inappropriate.

Since the error for which a Certificate of Correction is sought were a result of a Patent and Trademark Office mistake, no fee is due (35 U.S.C. §254).

## Respectfully submitted,

Date: 3/5/08

Emily E. Harris

Attorney for Applicant Reg. No.: 56,201
